COMBINED LIABILITY INSURANCE PACKAGE PROPOSAL

IMPORTANT INFORMATION: PLEASE READ THE FOLLOWING INFORMATION BEFORE COMPLETING THIS PROPOSAL

Obtaining a Quotation

To minimise delays in obtaining a quotation please provide complete answers to all questions in this proposal and attach relevant brochures, CVs, etc. that you believe will help us understand your business.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

Non-disclosure (if you do not tell us something)

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Defence Costs & Averaging Provision

General Conditions within the policy provides that if your liability for any Claim is for an amount in excess of the amount of the limit of liability, then we, under Section 2 and Section 3 of this policy shall only cover the same proportion of such defence costs as the limit of liability bears to the total amount to be paid dispose of the claim (exclusive of defence costs).

Claims Made and Notified Policy

The cover provided under Section 2 and Section 3 of this policy operates on a 'Claims Made and Notified' basis. This means that the policy only covers you for claims made against you and notified to us in writing during the period of insurance.

Where a 'Retroactive Date' is specified in your policy schedule, your policy only covers any claim made against you during the period of insurance that arises from any conduct, act, error or omission that occurred on or after the Retroactive Date.

Section 40(3) of the *Insurance Contracts Act 1984* (Cth) provides that where an insured gives notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as reasonably practicable after the insured became aware of those facts but before the period of expiry, the insurer is not relieved of liability under the insurance contract in respect of the claim, by reason only that it was made after the expiration of the period of insurance.

The above right arises solely under Section 40(3) of the *Insurance Contracts 1984* (Cth) and not under your insurance policy.

Liability assumed by you under a contract or agreement

It is not possible for you to transfer to us the entire spectrum of legal liabilities which you may be compelled to bear under the terms of a wide variety of Indemnity and/or Hold Harmless Clauses frequently inserted into commercial business contracts by principals, lessors or other parties.

Liability assumed by you under contract or agreement is only covered to the extent described in your insurance policy.

Prior to accepting legal liability for loss, destruction, damage or injury, which would not otherwise have attached to you at law, you should contact your insurance broker to enquire whether your insurance policy covers such liability or, if not, whether it may be so extended.

Subrogation Agreements

Where another person would be liable to compensate you for any legal liability for loss, destruction, damage or injury otherwise covered by this insurance, but you have agreed with that person either before or after the loss, destruction, damage or injury

occurred that you would not seek to recover any monies from that person, we will not cover you under this insurance for such legal liability for loss, destruction, damage or injury.
